

WeatherData::setPressure

```
graph LR; A[WeatherData::setPressure] --> B[WeatherData::pressure]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'WeatherData::setPressure'. The right box is white with a black border and contains the text 'WeatherData::pressure'. A dark blue arrow points from the right side of the left box to the left side of the right box.
