

sensor/bme280_defs.h

```
graph TD; A[sensor/bme280_defs.h] --> B[stdint.h]; A --> C[stddef.h];
```

The diagram illustrates the header file dependencies for `sensor/bme280_defs.h`. It is represented as a box at the top with two arrows pointing down to two other boxes, `stdint.h` and `stddef.h`.
